Print	Page 45 Para 2 Sent 1; Pages 324-325	Text references US National Atlas. But according to an announcement on the US National Atlas website, "The National Atlas will be removed from service September 30, 2014".	USGS advises would be users of nationalatlas.gov to use nationalmap.gov. Before September 30, 2014, download desired data from: http://nationalatlas.gov/atlasftp.html After September 30, 2014, look to: http://nationalmap.gov/ See author's comment: http://bit.ly/1qA936n	7/14/14
