

SDE 3.x Product Life Cycle Support Status

The Product Life Cycle Support Policy is designed to help communicate to ESRI users the technical support resources available during a product's life span and to provide advanced notification of planned changes to available support options. Read more about this in our [Product Life Cycle Support Policy](#)

Notes:

- This product is no longer available for sale or upgrade. It has been replaced by ArcSDE
- Dates listed in a support column provide the date on which the product entered that support level.
